Idea 5: Why it matters: Energy level: Adaptation needed: Completed ■

Idea Shortlist

Collect ideas before choosing your final favorites.

Easy ■ Outdoor ■ At home ■ Senior-friendly ■ Memory value ■

Ideas I want to consider

My Dog's Preferences & Energy Notes

Capture what makes your dog happy and comfortable.

My dog loves

My dog avoids

Best time of day

Best energy level

Comfort notes

Places my dog enjoys

Senior / Mobility Adaptation Notes

Use your dog's comfort as the guide and adapt experiences in a gentle way.

Shorter version

Softer surface

Rest breaks

Weather considerations

Help needed

What would make this easier?

Experience Planning Page

Plan one meaningful experience from idea to memory.

Experience

Date

Location

Who will join

What to bring

Budget

Weather / season

Energy level

Adaptation needed

Memory to capture

Completed Memories Tracker

Record the moments you completed and the memories you want to keep.

Experience completed

Date

Favorite moment

Photo ■ Video ■ Journal ■ Keepsake ■

Notes

Favorite Moments

Save the small details that make each memory special.

A moment I never want to forget

What my dog seemed to enjoy

A detail I want to remember

A photo or keepsake to save

Family Participation Notes

Create shared memories together.

Who wants to join

What each person can help with

A memory we want to create together

A story we want to save

Keepsake & Memory Prompts

Choose simple ways to preserve meaningful moments.
